**RESTAURANT INSPECTION REPORT  
KENTUCKY**

2015

## Inspection Criteria

### **NORTHERN KY-<http://www.nkyhealth.org/Current-Programs/Food-Inspections.aspx>**

- Scale of 1-100
- 70 and above- Pass
- 69 and below- Fail

### **LOUISVILLE- <http://portal.louisvilleky.gov/applications/RestaurantInspectionScores>**

- A= 85-100% with no critical violations. Green. Acknowledges safe food handling practices and designates a facility meets the requirements of The Kentucky State Food Code without critical violations. The A placard shall remain posted until the next routine inspection.
- B=Indicates the facility has failed 2 consecutive inspections prior to passing the most recent follow-up. The B placard may also represent that a facility was recently closed due to imminent public health violations, then re-inspected and opened after passing a follow-up inspection. This facility has not shown due regard for public health. The B placard shall remain posted until the facility passes their next regular inspection. A facility that fails two (2) consecutive regular inspections will be under administrative review. Green
- C= 84% or below to include ALL inspections with critical violations. Red. Indicated that a food service facility has failed to meet minimum requirements of The Kentucky State Food Code upon the most recent inspection. This will include a score with any critical violations. The C placard shall be placed for a minimum of 7 days and not more than 10 days. A follow-up inspection must be conducted and the applicable placard posted.
